It gave me very useful information and knowledge on online distance teaching
Distance learning is equally beneficial
आपने गूगल क्लासरूम प्ले समस्त पहलुओं का प्रशिक्षण दिया उसे गूगल मीट के माध्यम से भी आसान तरीके से करना बताया
Taking online class on zoom is far more lively than one way teaching . It is the future of teaching. Creation of classroom, direct communication, answering queries nicely explained. It gave time to try the things thus removed the doubts, which were to be faced if attempted alone
